JUNIOR CLASS OFFICERS

Ted Moody, Shirley Meckley, Barbara Mitchell, Chuck Walker.

As we approach the end of our Junior year we can look back with much pride, and feel that we have accomplished our goal.

We feel that our long hours of planning and hard work on our football concession stand; our class play, "My Friend Erma;" our dance, "The Bunny Hop"; and our Junior-Senior Banquet, rewarded us with great success.

The members of our class have been prominent in the Hi-Y, Y-Teens, F.H.A., F.F.A., Band, Choir, G.A.A., and V.A.C.

We wish to express our appreciation to Mr. Behrend, our class adviser, for his guidance and faithful help.

Two of these were the selling of "pom-poms" at the football games and the sponsoring of our dance, the Harvest Dance, which was very successful. In January, we ordered our class rings which we will receive next fall. We wish to thank our adviser, Mr. Grace, for the help that he has given us.

A Driver Training program was started this year in Mt. Gilead High School. Sixteen seniors enrolled and completed the course. Due to the fact, however, that it is only a one semester course, nine seniors enrolled the fall semester and seven the spring semester. Each student receives a twofold benefit from the course; namely, a driver's license and $\frac{1}{2}$ high school credit—provided the necessary requirements are passed.

Even though the paramount purpose of the course is to promote safe sportsmanlike driving, not all of the work was done in the automobile. Time is provided for 3 classroom sessions per week and at least 2 periods of driving the car. A complete textbook is used for classwork discussion and each class saw approximately 12 movies.

During the last week of each semester a state patrolman comes to class and becomes acquainted with the students. Questions are asked by both students and patrolman, also slides of serious accidents in Ohio are shown.

Mt. Gilead is quite fortunate in having automobile dealers who are enthusiastic about Driver Education. The first semester class used a new Chevrolet, courtesy of AULT MOTOR SALES, INC. The following semester a new Pontiac was used, courtesy of CHARLES W. BIRDSONG, INC.

The cars are equipped with dual controls, that is an extra clutch and brake for the teacher—just in case!

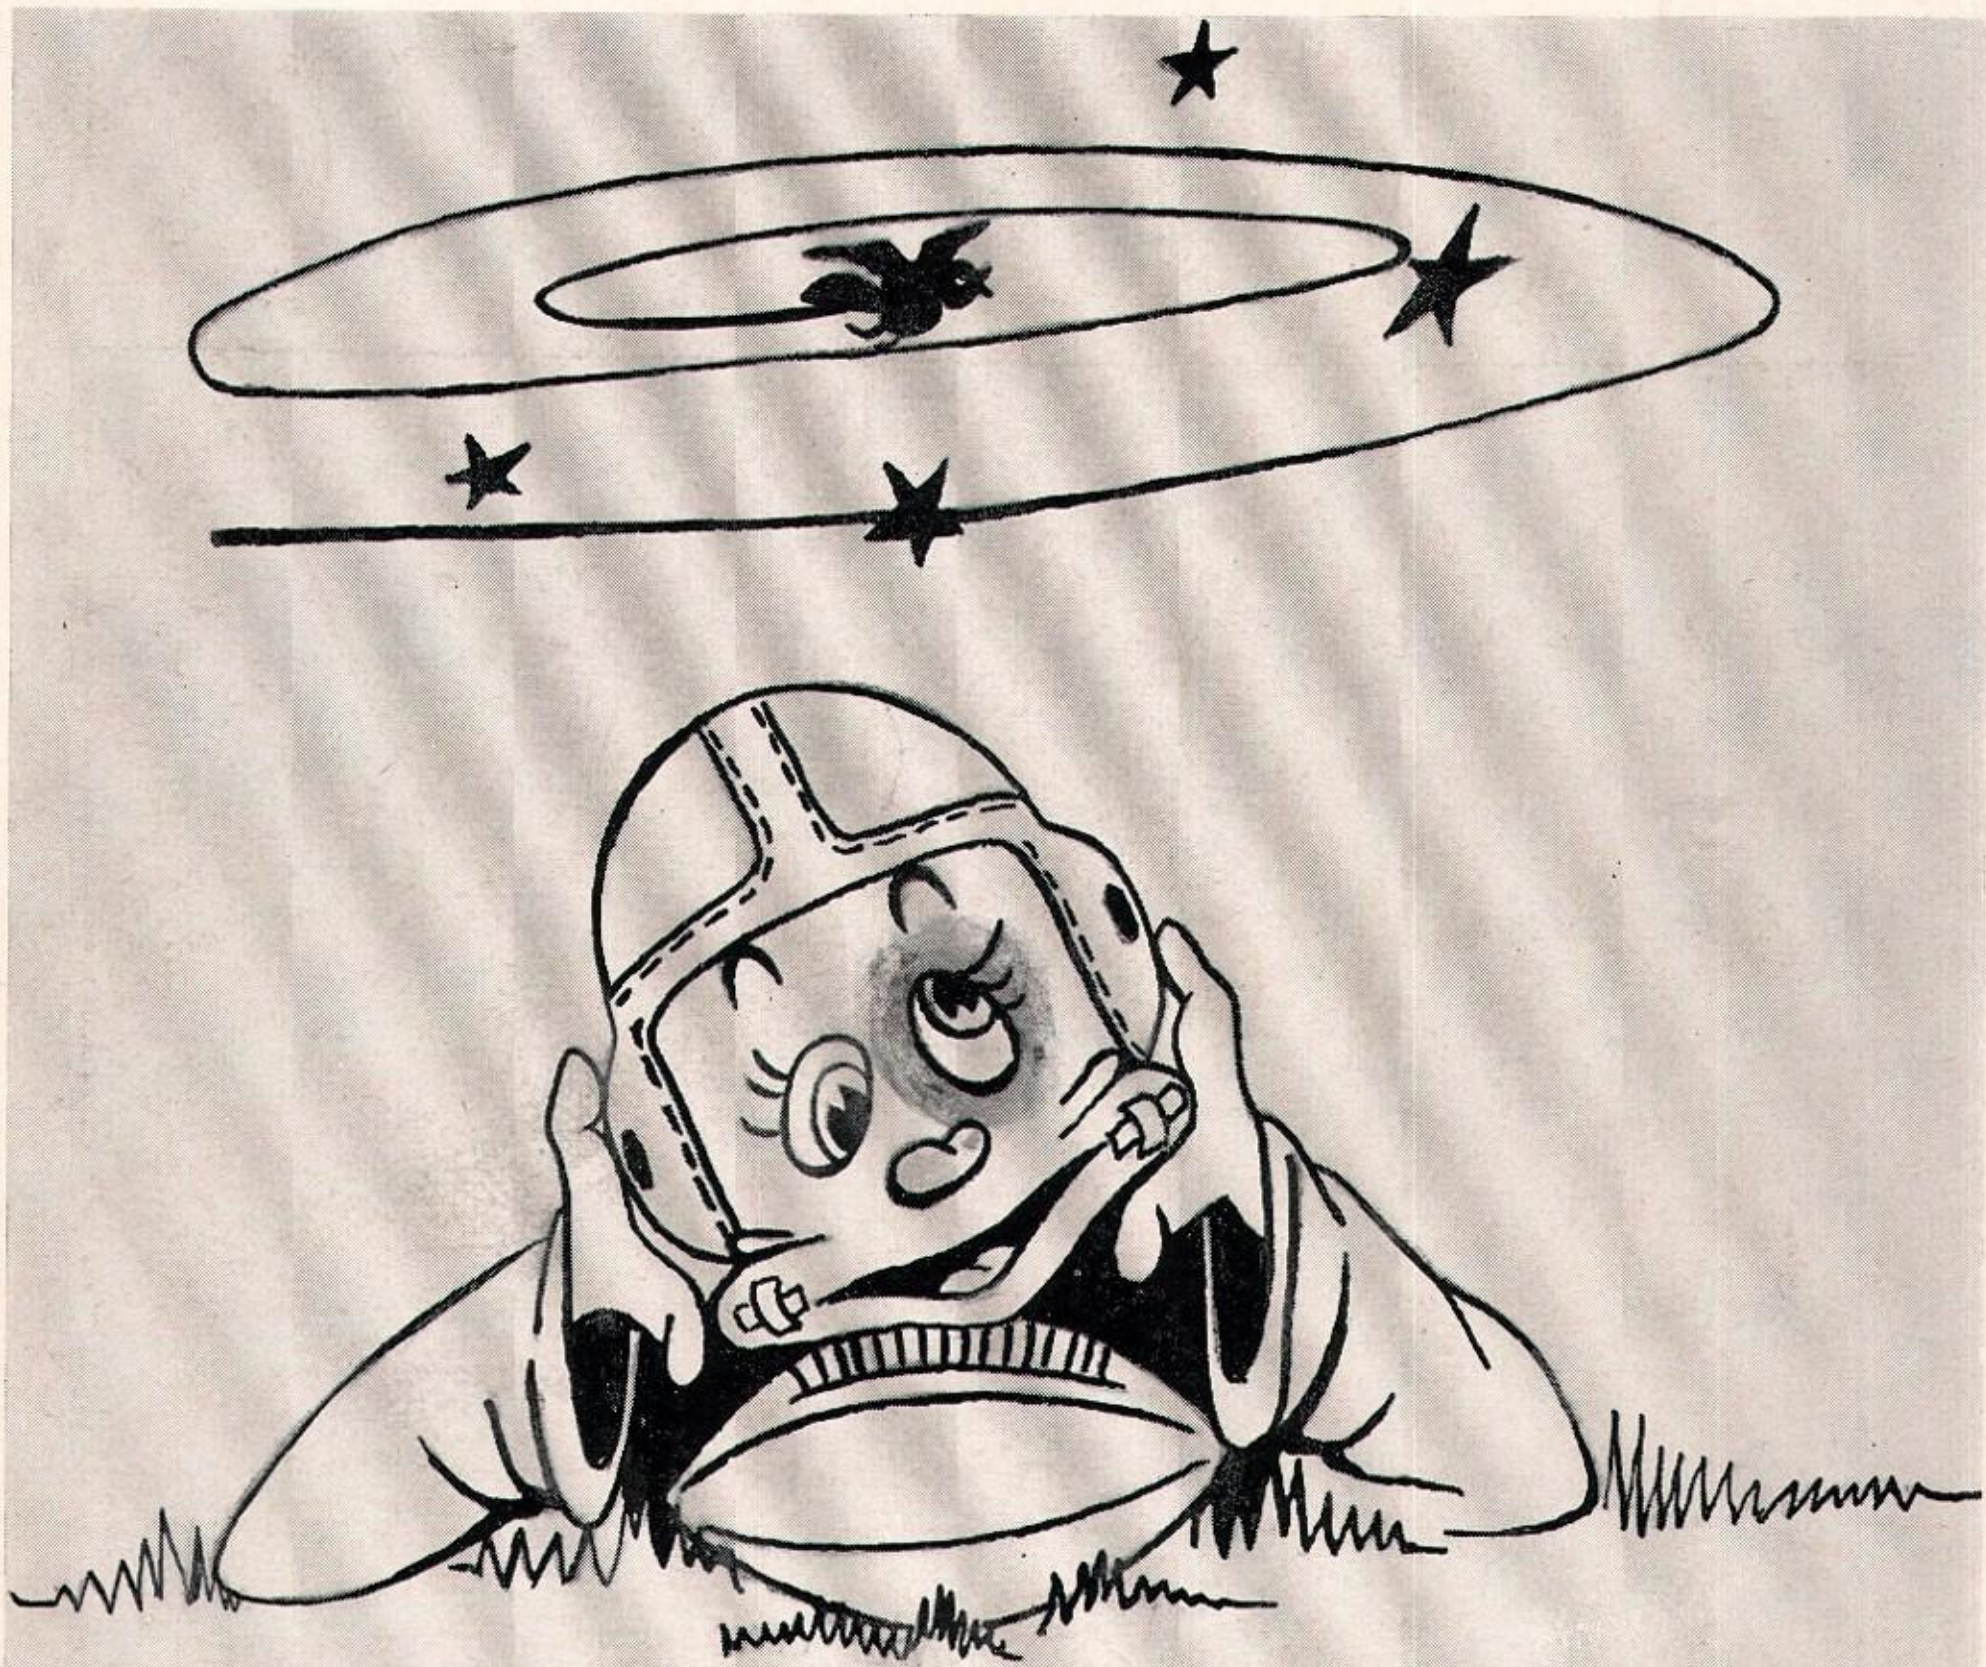

Of course the big day that the students eagerly await is Driver Training graduation day, when a driver's license and certificate are awarded.

ATHLETICS

The team, although not having a very successful season, had a lot of scrap and spirit.

The Indians ended up with a season record of 1 win, 1 tie, and 7 losses.

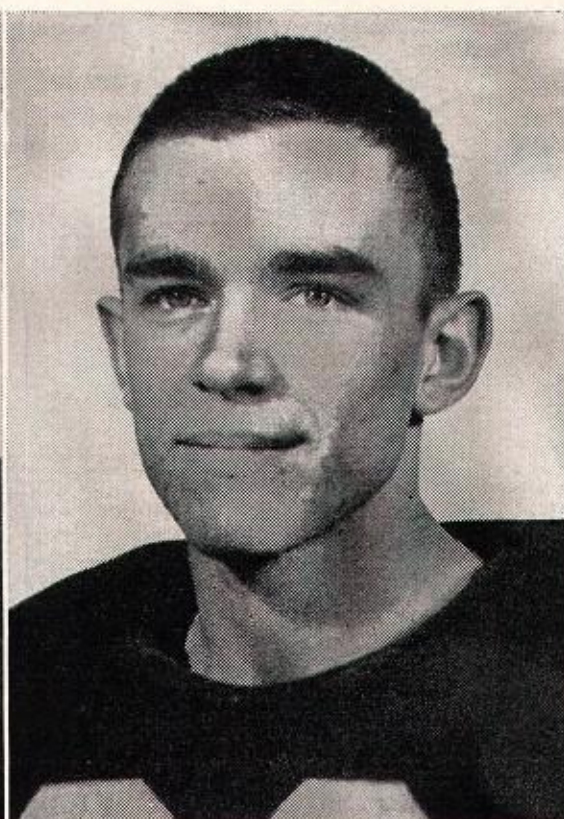

The spirit of the school and the fans was excellent and they backed the team throughout the season.

BASKETBALL

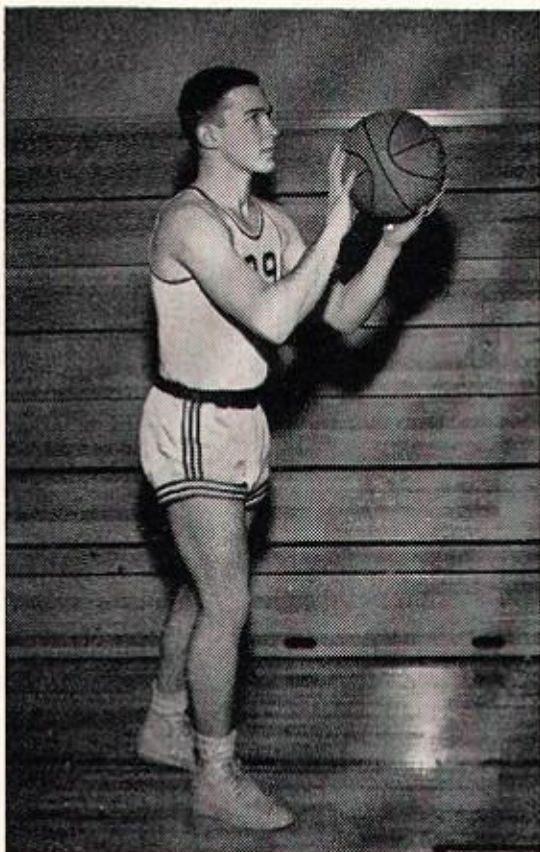

The Indians had a season record of 12 wins and 7 losses, one of the best seasons in a long time.

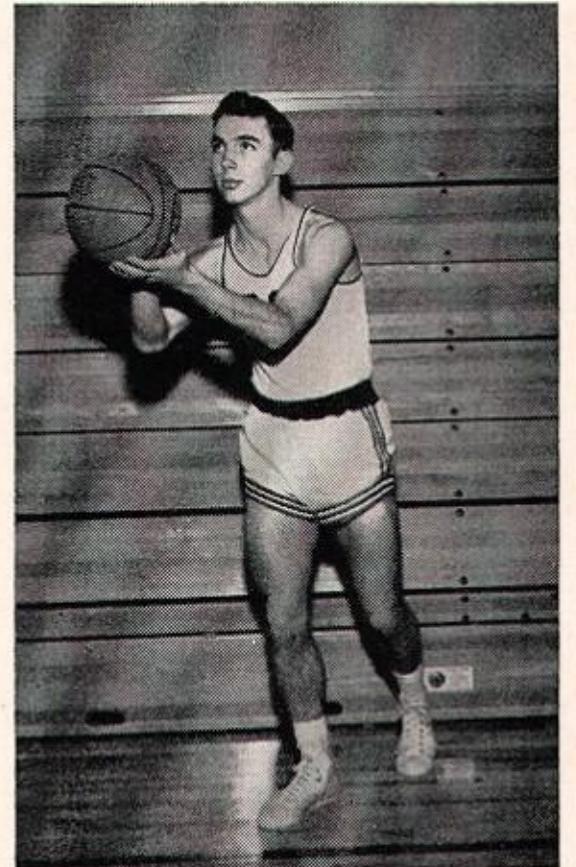

Starting out in a new gym, the team with a lot of fight and determination, won their first five games without a loss.

The school and fans showed more spirit and backing than they have in the past. Let's hope that they keep up the good work.

Dear Subscriber,

We, the editors of this thirty-eighth edition of the Mizpah, wish to express our appreciation to the Mizpah Staff, the faculty, the advertisers, Cubberly Studios, and Mr. Rex Lantz, our staff adviser, for their fine co-operation in publishing this annual.

As members of the staff we have endeavored to preserve by pictures and articles the many activities of our High School days which are to be long remembered. We hope that this book will be treasured very highly by every subscriber and will recall to them the many happy days at Mt. Gilead High School, so as we set out sails for the future that lies ahead, may this book serve as common bond between us and join us together momentarily again in the years to come.
